CEO Survey Results

CEOs' Increased Concern About Threats

Considering the following threats to your organization's growth prospects, how concerned are you about the following? (Showing Only "Extremely Concerned")

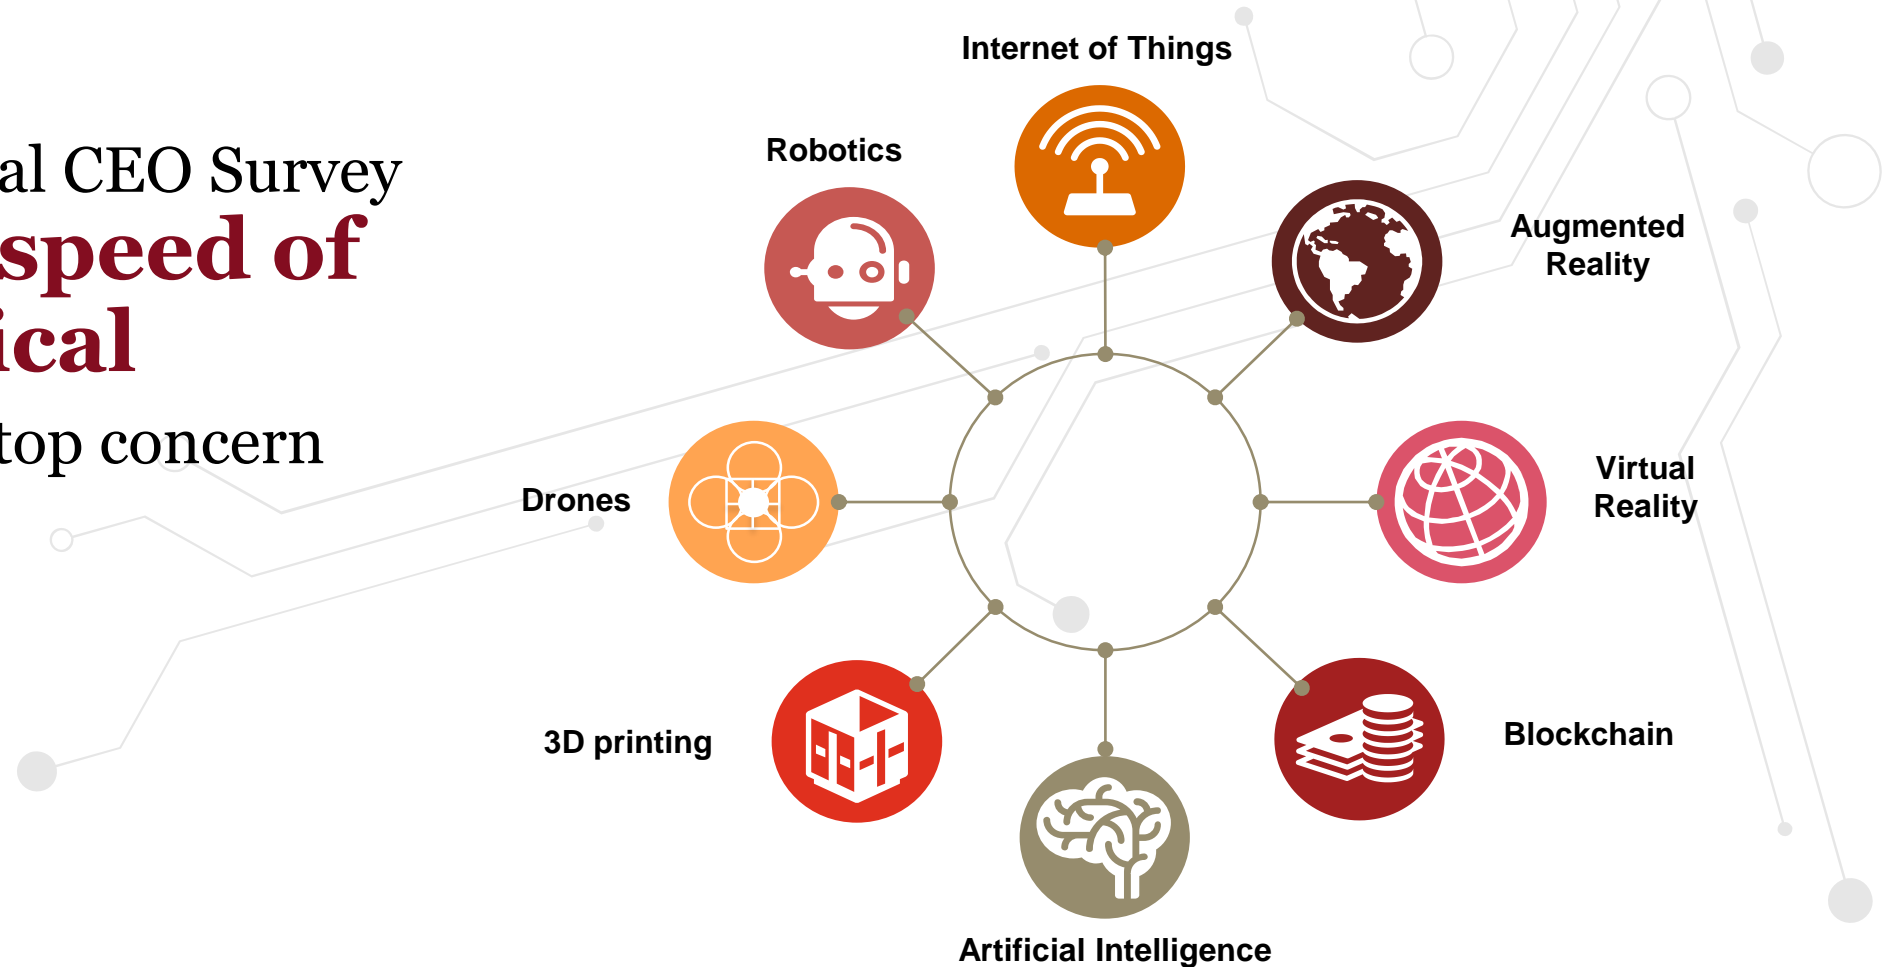

Base: All respondents (2018=1,293; 2017=1,379)

What Keeps CEOs Up at Night Differs by Region includes **Cyber Threats and Speed of Technological Change**

The essential 8 emerging technologies

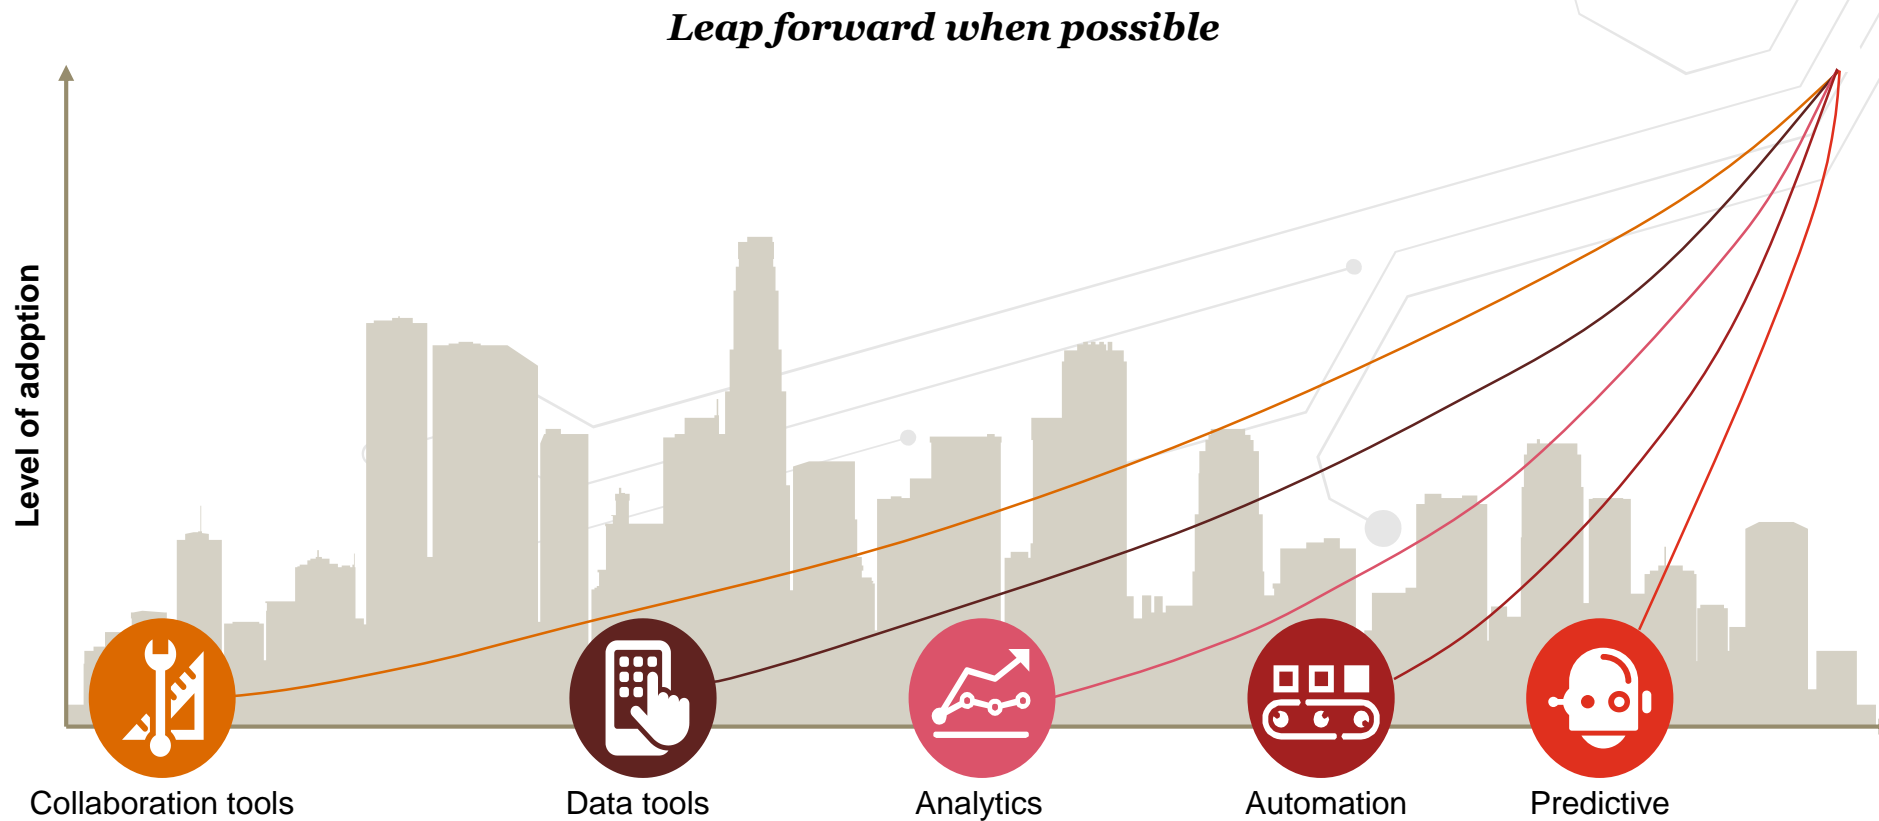

PwC's 21st Global CEO Survey finds that **the speed of technological change** is a top concern among CEOs.

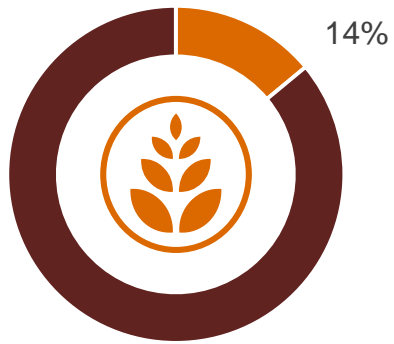

**2018 State of Internal
Audit Professional Study**

Evolutionary or revolutionary?

Source: PwC

Is internal audit equipped?

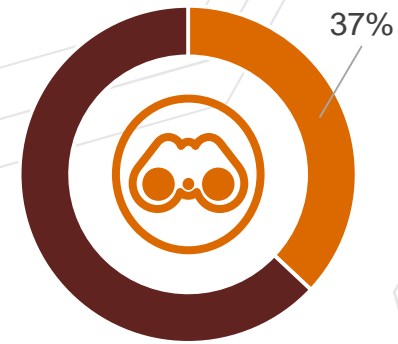

Evolvers

Advanced in their technology adoption

Followers

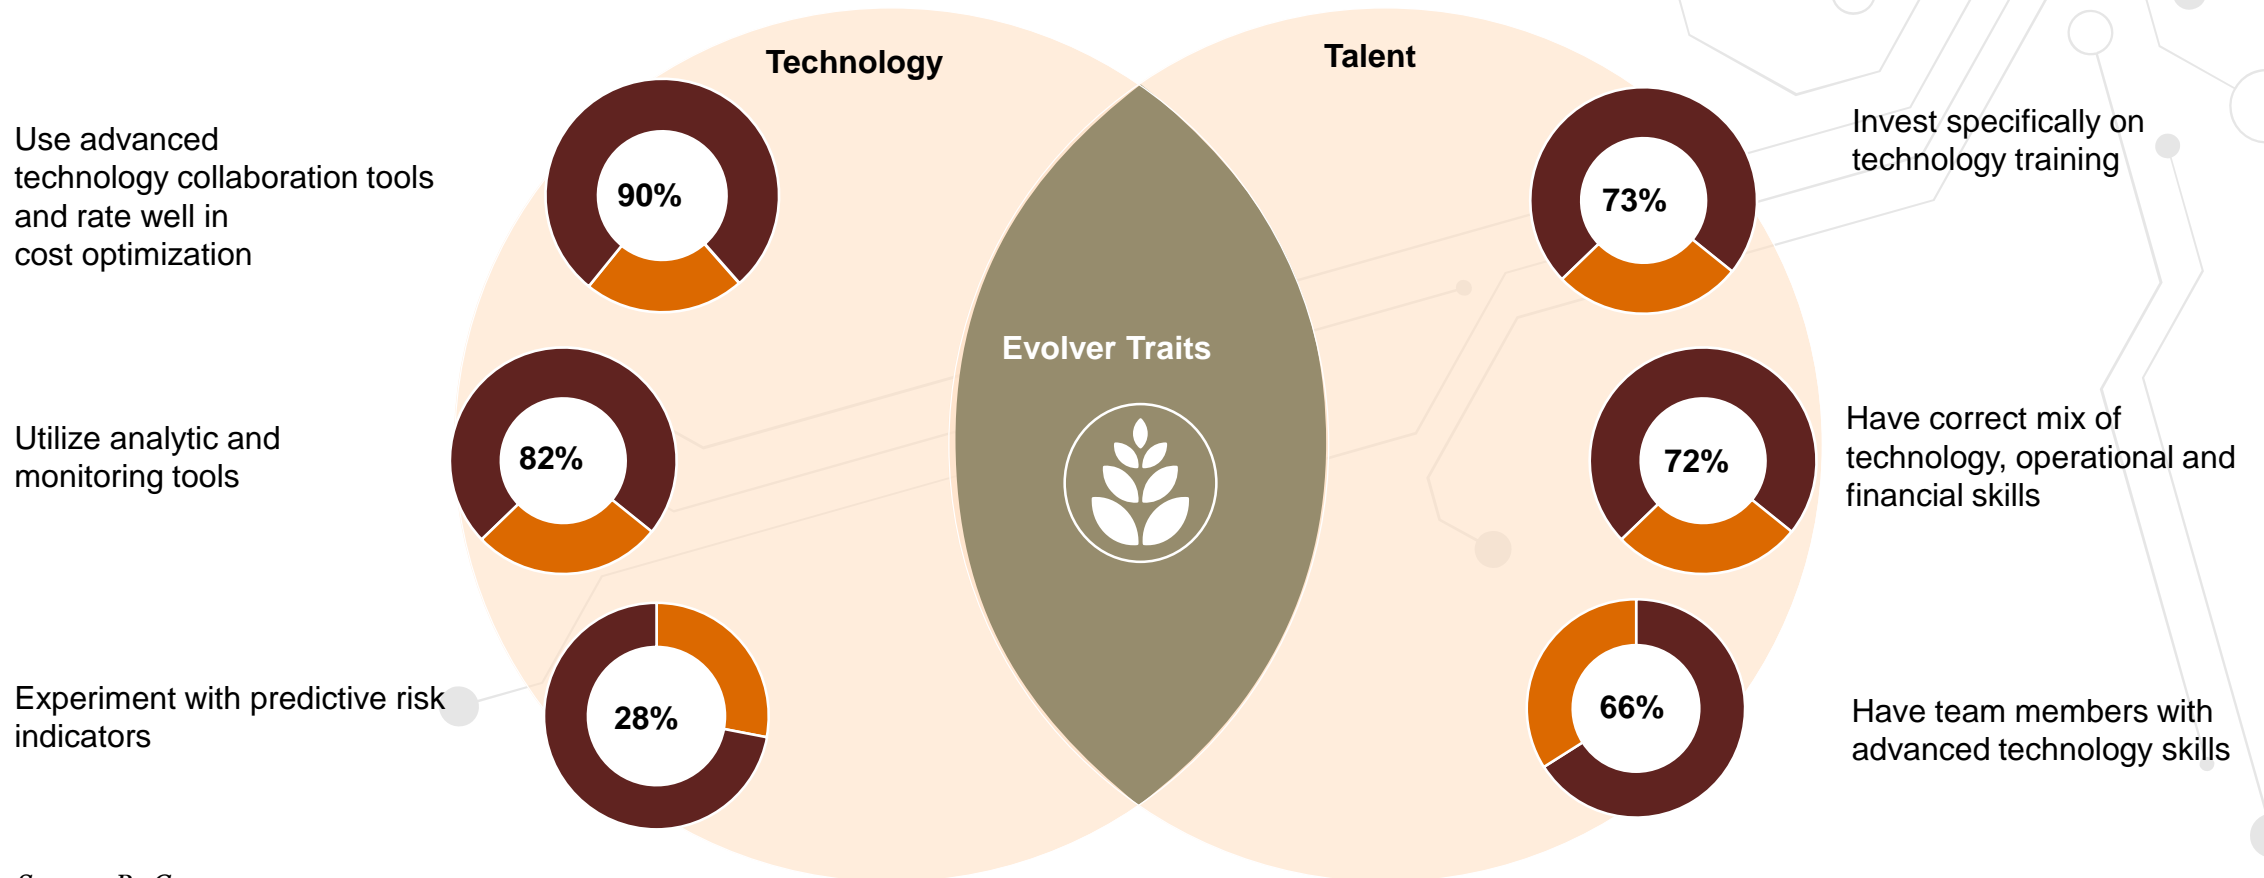

Taking note and following Evolvers technology adoption, but at a slower pace

Observers

Have basic or no technology use

Evolvers: Successfully fusing technology & talent

Source: PwC

Moving at the speed of innovation

Assess where Internal Audit stands with its tech-enabled foundation

Fuse technology and talent into a single strategy

Consider revolutionary over evolutionary whenever possible
